

Leadership event: Strategies for competing in a downturn

Impact Executives and Vanco are pleased to sponsor this Gartner led event which explores best practice techniques for outperforming your competitors in a downturn. Leading industry expert and Gartner Fellow, Mark Raskino, leads the discussion and will be supported by specialists in talent management and network sourcing solutions.

This event is designed to appeal to senior IT and Finance professionals who are seeking insight into:

- IT budgeting and planning in a downturn – Mark Raskino, VP Gartner
- Sourcing for flexibility in a downturn – Allen Timpany, CEO, Vanco plc
- Talent management solutions in a downturn – Albert Ellis, CEO, Harvey Nash plc
